**! HISTORY — CLUB — MAGAZINE — BLOG !**

Ethan Fox Books KidsStagram™ blog, KidsStagramCLUB™, and KidsStagram™ Magazine is an expansion of the Ethan Fox Books franchise at <https://www.EthanFoxBooks.com> and <https://www.KidsStagram.com> from E. L. Seer that can be enjoyed alongside the Ethan Fox Books franchise — a partner of The Ridge Publishing Group. You can discover behind the scenes information from the author, learn more about your favorite characters, play games, enter contests, and much more. It is FREE to join and use and is designed to be safe for people of all ages — please see our [Terms & Conditions](#), [Privacy Policy](#), [Child Safety Guidelines](#), and [KidsStagram™ Blog Community Guidelines](#).

### **KIDSSTAGRAM™ HISTORY**

We acquired the domain name KidsStagram.com in 2014 for *The Ethan Fox Books KidsStagram™ Magazine*, which is scheduled to launch in Q4 2021. During our preparations, we had an ah-ha moment: for branding purposes, it just made sense that we connect our related properties — The Ethan Fox Books Official Blog: KidsStagram™ (formerly Vortex Blog), KidsStagramCLUB™ (formerly ChrysalisCLUB), and The Ethan Fox Books KidsStagram™ Magazine, etc. — as they related to our KidsStagram business. For example, where our KidsStagramCLUB focus is on Pre-K through 12th grade education through *activities and games*, and much more. So, too, is The Ethan Fox Books KidsStagram Magazine focus on Pre-K through 12th grade education through *print education*, in the same topics: Math, Science, Language Arts, Writing, Reading Comprehension, History, Social Studies, and Geography. Inasmuch, this was an intelligent and strategic re-branding opportunity for us.

In other words, our KidsStagram properties are education platforms for kids, tweens and teens, young adults, parents, and teachers brought to you by the *Ethan Fox Books original series* characters. Instead of spilling out updates, book releases, programs, and the likes, KidsStagram focuses on Pre-K through 12th grade education — activities and games and extracurricular activities. For news, reviews, press releases, and more, we will save that content for our *Caretaker World Newsletter* and *The Residential Daily Star* newspaper found at <https://www.EthanFoxBooks.com>.

## THE ETHAN FOX BOOKS OFFICIAL BLOG: KIDSSTAGRAM™

The Ethan Fox Books Official Blog: KidsStagram — administered by character, **Nicholas Knight** — keeps us up to date on news, editorials, interviews, discussions, fandom, event reports, and responds to a variety of rumors. It's your source for everything KidsStagram News, Caretaker Universe, Ethan Fox Books, KidsStagramCLUB, and KidsStagram Philanthropy programs. However, its primary focus is on extracurricular activities (how kids, tweens and teens, and young adults spend their time after school). What matters most is extracurricular activities should be an outlet for young people to find their passion, creativity, and leadership within the world.

In other words, think of the KidsStagram Blog as a “brainstorming” blog for young people where they participate online with the *Ethan Fox Books original series* characters via *blog comments*. With so many options out there, all students should be able to find an extracurricular activity that they are interested in and can develop a passion for!
